

Thank you for considering Draper City as the location of your event. We host a variety of events throughout the year from sports events to fundraisers and cultural celebrations. Our goal is to help make the coordination of your event as seamless as possible.

A few tips -

- Because every event is unique, it's important that you consult with us as soon as your plan starts developing. City staff have valuable experience with hundreds of events and they want to see yours succeed. Don't delay contact us.
- Part of the application is the requirement to provide a site plan. The best site plans use both a written narrative and a map to describe the proposed event and all the activities associated with it. An accurate and detailed site plan is the most critical part of the application.
- We recommend not advertising or promoting your event until the event is approved by the city. Event organizers advertising an event or collecting fees prior to the issuance of an approved permit, do so at their own risk.

Best wishes for a successful event,

David Wilks - Special Event Coordinator
(801) 576 6584
